**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and am concerned at the potential for only having mega broadband providers. I have used Comcast in the past because it was the only option in my neighborhood. I hated it! Horrible customer service, unreliable connection, and unreasonably expensive. I moved and use Sonic now, a small local ISP, and I am much happier with the service I receive. Please keep market competition alive.

Thanks!
